### **Multiplier Event from HMKU**

**Dear Reader,**

The 2nd multiplier event was held on 13.07.2024 at İskenderun Gelişim Hospital. Physiotherapists from other hospitals also attended this event. There were 10 physiotherapists in total. These physiotherapists were also given various gifts (such as mugs, notebooks, pens, files). Signatures were collected from all participating physiotherapists. In addition, a satisfaction survey was completed by all of them. The physiotherapists were very pleased with the event and the content of the project. They stated that they usually spend money on many trainings, so they were very pleased that this project was open to physiotherapists free of charge.
