KA220-VET Cooperation partnerships in vocational education and training

Project No: 2021-1-TR01-KA220-VET-000032970

Multiplier Event from PAU

EGEKAF brought together tens of thousands of students and graduates with the business world at Denizli Metropolitan Municipality Nihat Zeybekci Congress and Culture Center on 21-22 February 2024. This fair, which is one of the career fairs held in 11 regions of Türkiye since 2019. It was organized under the coordination of the Presidential Human Resources Office (CBİKO), hosted by Pamukkale University, with the participation of 14 stakeholder universities. The fair, which was for two days, brought together tens of thousands of students from 15 universities operating in the Aegean Region with the business world. Students and graduates participating in the fair whose main sponsors are Denizli Governorship, Denizli Metropolitan Municipality and Denizli Organized Industrial Zone. They had the chance to get first-hand information on topics such as job/internship opportunities and career opportunities with the human resources officials of the companies. Companies, institutions/organizations participating in the fair are; while they had the opportunity to introduce themselves, they also directly reached qualified human resources by getting to know students and graduates suitable for their job fields and positions and collecting applications.

Nilufer CETISLI KORKMAZ, PT.PhD.Prof. and students introduced CK4Stim project to visitors of PAU Faculty of Physiotherapy and Rehabilitation stand. Additionally, “lip reading” game was played with visitors. While very high music had given from earphones they try to guess the words related with electrical stimulation and physiotherapy and rehabilitation. Hats and brochures of CK4Stim were gifted to
