7th International Congress on Health Sciences and Life

Dear Reader,

The 7th International Congress on Health Sciences and Life, held under the presidency of Assoc. Prof. Mümin POLAT at Burdur Mehmet Akif Ersoy University, once again brought together numerous researchers from different disciplines as well as undergraduate and graduate students, whose studies focus on health sciences and life sciences. The congress took place from March 7-9, 2024, at Lavanta Tepesi Hotel, featuring a variety of oral and poster presentations across several sessions, in addition to panels from different fields over the course of three days.

The panel titled “Clinical Key in Physiotherapy and Rehabilitation,” held on March 8, was organized alongside the introduction of the Erasmus+ Vocational Education Cooperation Partnerships (KA220-VET) Project titled “Clinical Key for Electrical Stimulation in Physiotherapy and Rehabilitation,” of which Burdur Mehmet Akif Ersoy University is one of the project partners. The panel included presentations from panelists on various topics related to electrical stimulation. The moderator of the panel and the project manager, Prof. Dr. Nilüfer ÇETİŞLİ KORKMAZ (Pamukkale University), opened the panel and then invited the speakers to the podium in the following order: Prof. Dr. Zeliha Özlem YÜRÜK (Başkent University) for her presentation titled “Outcomes of the CK4Stim Erasmus+ Project,” Prof. Dr. Filiz ALTUĞ (Pamukkale University) for her presentation on “Evidence-Based Applications of Electrical
